

# DRAW WITH A PARK RANGER

Let's draw this  
yellow-bellied  
marmot!

**1**

Start out with simple shapes.  
Try to draw lightly for now. We're  
going to draw over this at the end!

**2**

Next, draw two lines to connect  
the head and the body.

**3**

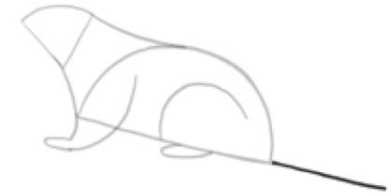

Draw curved lines for the  
marmot's legs.

**4**

Give your marmot some  
little paws.

**5**

Draw a line straight out from the  
bottom of the marmot's body  
for its tail.

**6**

Draw a curved line for the top  
of the tail.

**7**

Draw an almond shape for the  
marmot's snout.

**8**

Give your marmot an eye, nose,  
mouth, ear, and some toes!

**9**

Draw over your light lines.  
Give your marmot some fur, and  
color it in if you'd like!
